

## UB2J1 Rabbit pAb

CatalogNo: YN4389

### | Key Features

#### Host Species

- Rabbit

#### Reactivity

- Human, Mouse

#### Applications

- WB

#### MW

- 35kD (Calculated)

#### Isotype

- IgG

### | Recommended Dilution Ratios

**WB 1:1000-2000**

### | Storage

**Storage\*** -15°C to -25°C/1 year (Do not lower than -25°C)

**Formulation** Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.

### | Basic Information

**Clonality** Polyclonal

### | Immunogen Information

**Immunogen** Synthesized peptide derived from human UB2J1 AA range: 39-89

**Specificity** This antibody detects endogenous levels of human UB2J1

### | Target Information

**Gene name** UBE2J1 NCUBE1 CGI-76 HSPC153 HSPC205

|                              |                                                                                                                                                           |                         |                          |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|--------------------------|
| <b>Protein Name</b>          | Ubiquitin-conjugating enzyme E2 J1 (Non-canonical ubiquitin-conjugating enzyme 1) (NCUBE-1) (Yeast ubiquitin-conjugating enzyme UBC6 homolog E) (HsUBC6e) |                         |                          |
|                              | <b>Organism</b>                                                                                                                                           | <b>Gene ID</b>          | <b>UniProt ID</b>        |
|                              | Human                                                                                                                                                     | <a href="#">51465</a> ; | <a href="#">Q9Y385</a> ; |
|                              | Mouse                                                                                                                                                     | <a href="#">56228</a> ; | <a href="#">Q9JJZ4</a> ; |
| <b>Cellular Localization</b> | Endoplasmic reticulum membrane ; Single-pass type IV membrane protein .                                                                                   |                         |                          |
