

## COG1 Rabbit pAb

CatalogNo: YN8442

### Key Features

#### Host Species

- Rabbit

#### Reactivity

- Human, Mouse

#### Applications

- WB

#### MW

- 108kD (Calculated)

#### Isotype

- IgG

### Recommended Dilution Ratios

WB 1:500-2000

### Storage

#### Storage\*

-15°C to -25°C/1 year(Do not lower than -25°C)

#### Formulation

Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.

### Basic Information

#### Clonality

Polyclonal

### Immunogen Information

#### Immunogen

Synthesized peptide derived from human COG1

#### Specificity

This antibody detects endogenous levels of COG1 at Human, Mouse

### Target Information

#### Gene name

COG1 KIAA1381 LDLB

|                       |                                                                                                                |                         |                          |
|-----------------------|----------------------------------------------------------------------------------------------------------------|-------------------------|--------------------------|
| Protein Name          | Conserved oligomeric Golgi complex subunit 1 (COG complex subunit 1) (Component of oligomeric Golgi complex 1) |                         |                          |
|                       | Organism                                                                                                       | Gene ID                 | UniProt ID               |
|                       | Human                                                                                                          | <a href="#">9382</a> ;  | <a href="#">Q8WTW3</a> ; |
|                       | Mouse                                                                                                          | <a href="#">16834</a> ; | <a href="#">Q9Z160</a> ; |
| Cellular Localization | Golgi apparatus membrane ; Peripheral membrane protein ; Cytoplasmic side .                                    |                         |                          |
| Function              | Required for normal Golgi function.                                                                            |                         |                          |
